

Vale District Baker Recreation

Airstrip

Airstrip is located on Hell's Canyon Reservoir, a 25-mile long reservoir surrounded on either side by steep basalt cliffs that level out to be a ponderosa pine forest on top.

Airstrip is a great place to take the family for a weekend or just for a day on the water. Hell's Canyon Reservoir is excellent for jet skiing, water skiing, and many other water sports.

Activities:

Facilities: The camping area has one seasonal toilet (summers only), picnic table, and shade trees.

The day use area has plenty of shade trees, and lots of privacy. There is only one water access area due to a large blackberry patch along the shoreline.

Fees: Airstrip is a free-use area. Maximum stay is 14 days.

Season: Open year-round, most popular between April 1 – November 15.

Other: The nearest boat launch is up stream at Bob's Creek. It is only for small boats.
